Replace the paragraph numbered [0011] with the following:

A71A
8/6/08

--⁰⁰¹¹~~[0001]~~ One problem addressed by the invention is for a software editor to be

able to internationalize computer (software or other) documents or to offer his clients

Web pages that can be internationalized while avoiding any client involvement in the

localization process. Localization must avoid the need to translate the document, and

for example all of the pages on the Web, into all of the languages. --
